

Frequently Asked Questions (FAQ)

1. What is the difference between competition and exhibition?

Answer: The competition involves any innovation product in tangible and intangible forms such as modules, tools, kits, web, applications and others. Competitions will be judged and medals and cash will be awarded depending on the judging results. Meanwhile, the exhibition is a platform to display and sell products as well as services to visitors. The exhibitor does not go through any judging process.

2. What is the booth size for competitions and exhibitions?

Answer: The size for the competition booth is 1m (d) x 1m (w) x 2.50m (h) while the size for the exhibition booth is 3.02m (d) x 3.02m (w) x 2.50m (h).
